

LOVE THE OPEN STREETS?

Help us transform our City streets for tomorrow!

Hosted by the Lancaster Recreation Commission, City of Lancaster, and Lancaster BIKES!, Open Streets Lancaster offers a full day of adventure, play, and healthy activities. Imagine fitness classes, families, jugglers, yoga, food trucks, music stages and dancing. Imagine thousands of people enjoying the City under the beautiful spring skies on blocks of safe, car-free streets. The City's first-ever Open Streets Lancaster event was held in August 2014 on two City blocks. This event drew around 1,000 people. Since its inauguration, we have quadrupled the numbers.

EXPERIENCE YOUR CITY IN A WHOLE **NEW WAY**

Open Streets Lancaster creates blocks of safe, car-free streets so that residents can walk, bike, shop, participate in spontaneous play activities, and get to know one another. We hope you'll join us this year and enjoy your City from a different perspective.

Come wander at Open Streets and have some fun! You can even bring your dog. And, it's free!

Bike, blade, walk – whatever – in the middle of the streets!

WANT A SPOT ON THE **STREET?**

Your business or organization has the opportunity to participate in Open Streets Lancaster, a family-friendly initiative that transforms our City's streets. Being on the street is a great opportunity to support goals that serve to enrich our community and build a strong local economy through healthy living, active transportation, civic pride and increased personal connections with small businesses and local organizations.

You are strongly encouraged to host an interactive activity at your street spot! Donations are requested of all participants to help offset event costs. Gain exposure, mentions in advertising and marketing materials and of course integration into event activities.
