

Lancaster Rec's Open Streets Lancaster is a free community event held annually on **Sunday, June 19, 2022** that closes the streets and brings over 8,000 people downtown to walk, bike, blade and skate on an 8 block route of Water Street. More than 200 organizations and local businesses line the streets so attendees can shop local and meet their community of neighbors.

Our family-friendly event focuses on celebrating diversity, promoting healthy lifestyles and engaging in our community. By supporting Open Streets, you're providing support to the health and wellness of Lancaster!

Lancaster Rec is a 501(c)3. All contributions are tax-deductible.
